

PUBLIC NOTIFICATION SPECIAL MILK PROGRAM

The Episcopal Center for Children is currently participating in the District of Columbia's Special Milk Program. The Special Milk Program (SMP) provides milk to children in schools, child care institutions, and summer camps that do not participate in other Federal child nutrition meal service programs. The program follows USDA meal pattern requirements, rules and regulations.

Studies have shown that children whose nutritional needs are met have fewer attendance and discipline problems and are more attentive in class. A good school breakfast and lunch is not only essential to academic achievement, but is also part of a child's general health and wellness.
